

Best Practice Group

The East Central Michigan Long Term Care Best Practice Group covers the Mid-Michigan area and meets every other month to:

- Offer educational opportunities
- Provide opportunities for professional growth
- Share information
- Provide a venue for professional networking

For all people serving those living in long term care facilities.

Long Term Care facilities include:

- Nursing Homes
- Adult Foster Care (AFC) Homes
- Supported Independent Living Facilities
- Rehab Centers

All meetings and education events are appropriate for:

- Nurses
- Social Workers
- Discharge Planners
- Case Managers
- Any staff working in acute care and/or long term care settings.
