

JOURNEY FOR CONTROL

Diabetes Conversation Map Classes

Who: Individuals with a new or existing diagnosis of diabetes that are enrolled in the Health Home Integration program.

Not yet enrolled in Health Home Integration? Talk to your Case Holder today!

What: Interactive and engaging conversations between peers using the Diabetes Conversation Maps which were created by:

When: Monday, Oct 30th, 2-4pm
Monday, Nov 6th, 2-4pm
Monday, Nov 13th, 2-4pm
Monday, Nov 20th, 2-4pm

Where: SCCMHA, 500 Hancock St., Saginaw, MI

Why: Individuals do not learn by just hearing; they learn by hearing, seeing, discussing, and doing. Individuals gain knowledge together by working through the Conversation Maps one week at a time!
