*Have you ever needed to access your Medicaid member benefits but not had time to call? Would you like to find a provider near you when you’re on the go?*

**This is the app for that!**

Welcome to **myHealthButton Michigan** – a free mobile app that gives you real-time access to your Child Special Health Care Services (CSHCS), Women, Infants & Children (WIC), or Medicaid benefits instantly and securely in the palm of your hand!

From receiving reminders and educational alerts to the ability to search for a provider “Near Me,” this application simplifies beneficiary interaction with the Medicaid system.

If you are a currently enrolled Medicaid member, you can log in and view your benefits. If you are a guardian or the head of your household, you can view your dependent’s information as well!
