

CTN July 2024 Newsletter

Headlines

In June, our "Miracle Poppers" volunteered their time at Hurley Medical Center and made popcorn for the children in the Pediatric Hematology/Oncology unit. We learned about measurements and proper food cleanliness. It was also a great opportunity to socialize with the doctors and nurses.

We had fun expressing our creative side at the SVSU Sculpting Class. We made sunflowers, daisies, birds, and even a replica of the poop emoji.

We had the opportunity to tour news-talk radio stations WSGW 790 AM & 100.5 FM and their sister stations 94.5 The Moose, 106.3 The Core, and Kiss 107.1. We practiced making announcements with the microphone and met many of the DJ's. It was so fun to see how it all works.

Our first visit to Stepping Stone Falls was very relaxing. We hiked the trails, saw a lot of wildlife, and fed the fish.

Thank you to all who contributed to our donation drive for the Humane Society of Bay City. We are so excited to be able to deliver these items this month.
