*This schedule of activities are available for all SCCMHA employees at all board operated facilities. The sign-in sheets are located in the employee lounge cabinets and labeled with a **Better Together** sign. Please enjoy these activities in a location of your choosing (other than your office. We want you to step away from your work day). For location availability please utilize your Outlook calendar to reserve a conference room if needed. Don't be shy... Invite some coworkers to join you! And don't forget to fill out a **Better Together** slip to take advantage of your BTO benefit hours.
