

July 2024

WELCOME SUMMER

When you look at our calendar for July, you may notice some different outings and activities. Some of the activities are in correlation to a national day (i.e., World UFO Day). We are excited to utilize the ideas!

In the month of June, we had a lot of fun with our activities! The Great Lakes Loon's baseball game was hot, but a great time was had by all! We sadly had to cancel our Juneteeth picnic due to the heat. The airport was interesting, and some got to fly in the simulator. The Humane Society is always great for petting some of the dogs and cats. We were able to go fishing a few times and visit parks as well.

As many of you know, Julie Bitterman will be leaving us to start a new adventure in life. Her last day with us is July 12th. We will miss her greatly and wish her the best in her adventures!

CONTACT US

As always, if you have any questions, comments, or concerns please feel free to contact us. We would love to help!

Mary Angst (main number)
(989) 272-7204

Julie Bitterman (Supervisor)
(989) 272-7226

Anne Midcalf (Program Coordinator)

STAFF OF THE MONTH

Denise Sparck

Denise was a previous aide at CTS and rejoined us last year. She is an activity aide, and she also manages/owns a group home, which is one of her accomplishments. Her favorite thing about working here is the consumers. On her time off she spends time with her two sons and grandkids.

BIRTHDAYS

Julie's Goodbye Note

My last day at CTS will be July 12th and I wanted to say thank you for all the fond and heartwarming memories over the past 10 years at CTS. Thank you so much and I will never forget you!!

Owosso Airport

June 20, 2024

The Winds Air Club gave us a tour at Owosso Airport on June 20, 2024. We watched planes take off and land in the terminal. After we ate our lunches there, we seen the new tractor for mowing the grass and the white plane in this photo. We were able to look inside the plane and they explained how the plane flies and uses rudders. We also got to look at a crop-dusting plane. So many interesting things about all the planes! Lastly, some of us got to fly in a plane simulator. So much fun! Thanks to the Winds Air club members and Sarah N. for setting up this fun activity for us.
