Headlines

We have started working on our garden decorations at the Saginaw Children's Zoo and cheered on the Great Lakes Loons they challenged the West Michigan Whitecaps. We continue to volunteer at the McNally House, Hurley Hospital, and Grace Exchange. Fishing Class has started again and so has shopping at area garage sales.

Everyone wore their Hawaiian shirts and danced to their hearts content with our friends from CTS at the Luau themed Prom .

We look forward to visiting the Delta Pool, Haightco Beach, and Celebration Square Splash Pad. Please make sure everyone has their swimsuits in their lockers if they would like to go.

Now that participants are bringing in money daily for their outings and the store, the calendar will have a \$ next to the daily options to reflect a spending or money management opportunity. This does not mean that they are guaranteed to go on that outing, so the money may be returned at the end of the day or spent other places. If participants must have money to go on a specific outing, a Communication Form will be sent to their home.

Meet the Staff

Letisha is an Activity Aide, and her favorite part of her job is working with our participants. She is a proud graduate of Arthur Hill High School. She would like to continue her education in technology and one day work in cyber security & computer programming. When not working, she enjoys reading her bible, taking walks, and going for long drives. The person she looks up to the most is her pastor. She hopes to one day celebrate a birthday in Hawaii and go skydiving.
