### "April Showers Bring May Flowers"

We hope everyone had a nice Easter! April was a fun month with some nice warm sunshine appearing and other chilly days. Our staff worked with a Farm Bureau Office to watch chickens' hatch. They brought us 8 eggs and 2 incubators. We learned how they developed from day to day. As the weather warms, please be mindful of the weather. It may be nice and sunny in the morning, but a rainy storm when we go home, or on an outing. With the weather becoming warmer we will be spending more time outdoors for activities for our outings including walking around our building.

### May Birthdays

Martin – 8

Kelly O – 9

Mary Jo – 22

Christopher 28

### Meet Allie

Allie has worked at CTS since September of 2022. Before she joined us at CTS, she was a direct care worker. Her favorite thing of working here is our individuals. Her favorite person is Sarah N. Allie has worked alongside Sarah and hopes to be half the worker she is. Allie feels like working here at CTS with our individuals makes her a better person. When Allie has time off, she enjoys her family, dogs, and chickens. She is also a rockhound and likes to collect chickens.

Please make sure your participant always has at least one change of clothing at CTS. We have some clothing on hand for emergency use and request that it be promptly returned to CTS after being used.

As we get into the spring season, it is very important that all participants come to program dressed appropriately. This may include extra pants, a raincoat or umbrella on rainy days. If your participant is in a wheelchair, please remember that it takes some time for the van's wheelchair lift to rise and lower. During this time, your participant is sitting with the wind blowing and sitting in the rain to load/unload from the van. Please make sure all personal clothing items are labeled so we can make sure they return home with the correct participant.

Emergency closure information is broadcasted on WEYI 25 and WJRT TV12. The message on the screen should read, "Comm. Ties South will be closed." You may also call (989) 272-7000 for up-to-date closure information or visit our website at <https://www.sccmha.org/> . Go to the "News & Information" and then "Emergency Closure Information"

As we are concerned for the safety of everyone, especially during inclement weather, please call (989) 272-7204 to let CTS know if your participant is not going to attend program for any reason.
