In July we were thrilled to be able to present a sizeable donation to the Humane Society of Bay City. Again, thank you to all who were kind enough to contribute to our furry friends.

We explored some of the Genesee County parks including Stepping Stone Falls and For-Mar Nature Preserve. Our garden at the Saginaw Children's Zoo is in full bloom and we are very proud of our hard work. Some of us were able to go the movies to see *Inside Out 2* with snacks and a drink. Our "Miracle Poppers" continue to volunteer at Hurley Children's Hospital making popcorn for patients and their families.

It has definitely been hot this summer, so we took this opportunity to enjoy the Celebration Square Spray Park and the Delta pool. Everyone enjoyed a chance to cool down. Please remember to stay hydrated during this heat and be sure to place an ice pack in lunch boxes.

Meet the Staff

We would like to welcome NeFeteria "Nef" to CTN. She is our newest Activity Aide. She has a medical assistant certification and a phlebotomy certification. She loves what she does and wants to be successful at it. The best part of her job is interacting with the people that we serve. Her favorite person is her son, who has made her into the woman that she is today. She likes to spend time with her family, swim, and listen to music. Travelling to Japan is on her bucket list and her favorite color is red. Her favorite quote is "Do unto others as you want done unto you."
