Headlines

In May we have been busy doing new things and going new places. It has all been very exciting!

At the Hancock building, we painted flowerpot teapots then we were able to pick our favorite flowers to plant in them. They were all very colorful and pretty.

Abele & Faber's greenhouses were fun places to visit. We have been working hard on our garden at the zoo and we even received a donation of a two-foot-high cement dinosaur for us to paint and put in the garden at the zoo.

We went on picnics and went fishing at many of our favorite parks and we continue to hide inspirational painted rocks.

We watched the Great Lakes Loons lose to the Beloit Sky Carp, but it was an intense and fun game. The food was good, and the seats were in the shade, so we had a great time!

Please see the enclosed flyer regarding our donation drive for the Humane Society of Bay City. We love our new furry friends and would very much appreciate your contribution to make this a success.

CTN has made multiple visits to the Humane Society of Bay City, and they have been very welcoming to us.

Now it is our turn to give back to our furry friends.

We are asking you to help us “pay it forward” by donating any of the following items to keep them clean, safe, and happy:

- Clean blankets, towels, and sheets (clean but gently used is fine)
- Dry or canned pet food (any brand, for adult or puppy/kitten)
- Hard or soft pet treats (any brand)
- Peanut butter, canned tuna, canned spray cheese
- Pet toys of any size (cat or dog)
- Collars, harnesses, or leashes of any size (new or like-new condition)
- Bleach or laundry detergent
- Blue Dawn dish soap

CTN will accept any of these items during the month of June, and we will make a surprise delivery during our visit in July.

Their website is: <https://www.baycounty-mi.gov/animalcontrol/>

Thank you in advance for your contribution. If you have any questions or concerns, please feel free to contact CTN at (989) 272-7208.
