

# Community Ties North June 2025 Newsletter

## Headlines

As we wrap up May and head into warmer weather, we are very aware of spring storms. We have been learning about weather safety and had our first tornado drill of the season.

We have also been very busy in the community. Our garden plot at the Saginaw Children's Zoo is starting to look really nice. Panda Express served us a delicious lunch again this month and we really appreciate their generosity. Cultivate Coffee & Tea is always welcoming while we play games and enjoy a hot beverage. We especially like to play the musical instruments available at the Frankenmuth River Place Shops. Some of us also enjoy the quiet time at many of the libraries in the area.

For those who decided to stay at CTN during the day, we had plenty of fun activities to choose from. Our Cinco de Mayo party with a pinata full of candy was a huge success. We are still painting rocks to hide in the community. We now have a large Hot Wheels racetrack and we enjoy racing each other. Our Cooking Class was really excited to make chocolate covered pretzels.

Please continue to bring coats to CTN until the weather is a bit warmer because sometimes it still gets cold on our outings.
