Headlines

As we enter cooler weather, we have been doing a lot of Fall activities. We have visited Johnson's Pumpkin Farm and Baynes Apple Valley for cider and donuts, and we just can't seem to get enough of the Spirit Halloween stores. We also enjoy taking a drive to see all of the beautiful Fall colors.

Our outing to Wilderness Trail Zoo was a great success. All of the animals were as happy to see us as we were to see them! Little Caesars in Birch Run generously donated food for a pizza party. We had chance to relax and listen to the musicians at the Vista Center. The Thomas Twp. Nature Center always welcomes us with new activities and crafts to do while we are there. Some people choose to stay at CTN for the day and we always have a lot of activity options. We play board and trivia games, work on our writing skills, make picture collages for our program scrapbook, do cardio drumming, and create new foods to try in our Cooking Class. Now we are looking forward to the holidays.

Meet the Staff

Kiana has been working as an Activity Aide at CTN for two months. She is enjoying getting to know all of the people that we serve. Her favorite thing to do is spend time with her kids, whether it's just lying in bed or going on an adventure. She hopes to be able to go sky diving someday.
