April 2025

“April the month of possibilities, where dreams blossom like spring flowers.”

In March we completed some fun science experiments. We learned that some cereals have iron in it by using a magnet and learned how well we wash our hands by using a black light. One day we had reading and writing for a stay in room and wrote poems. And we always have great community activities to participate in. We visited KCQ radio station, Barnes and Noble, Center Court, and participated in cardio drumming, and bowling.

We look forward next months activities Mirror Maze, Flint Farmer’s Market, two new tours and visiting the horse farm with the new foal.

Spring weather is around the corner, dress appropriately for rain, cold, or warm weather.

Staff of Month

Tiffany has worked at CTS for 3 years as an aide. Her favorite thing about working here is working with the people we serve. On Tiffanies off time, she likes to go for walks, go to her kids sport games, and swimming. Tiffany said she wanted to share that she enjoys working here at CTS with our individuals.

A Month In Review

We had a hand washing experiement to see how well we wash our hands. We First wet our hands, applied a special solution. Then we washed our hands with water. In the last picture, we looked under a black light to see if any germs were left on our hands. The little Pink spot was missed but such a great job!

Cooking Class made pancakes. Everyone has a job in making the pancakes. They cut strawberries up, mixed the batter, sprayed the griddle, put syrup and cool whip on the pancakes.

Tommy and Kaylee received the most basket made on game day in the gym.

Game day in the gym was fun for all.

Science Experiments are fun. We learn how water can move colors.

Please make sure your participant always has at least one change of clothing at CTS. We have some clothing on hand for emergency use and request that it be promptly returned to CTS after being used.

As we get into the spring season, it is very important that all participants come to program dressed appropriately. This may include extra pants, a raincoat or umbrella on rainy days. If your participant is in a wheelchair, please remember that it takes some time for the van's wheelchair lift to rise and lower. During this time, your participant is sitting with the wind blowing and sitting in the rain to load/unload from the van. Please make sure all personal clothing items are labeled so we can make sure they return home with the correct participant.

Emergency closure information is broadcasted on WEYI 25 and WJRT TV12. The message on the screen should read, "Comm. Ties South will be closed." You may also call (989) 272-7000 for up-to-date closure information or visit our website at <https://www.sccmha.org/> . Go to the "News & Information" and then "Emergency Closure Information"

As we are concerned for the safety of everyone, especially during inclement weather, please call (989) 272-7204 to let CTS know if your participant is not going to attend program for any reason.
