## Headlines

It has been a fun-filled summer so far! We have already been to Celebration Splash Pad and Halthco Beach, saw amazing vintage cars at the CTS Car Show, relaxed in the Delta pool, fed the horses at Serenity Horse Facility and fished at many of our favorite parks.

For those that prefer to stay at CTN for the day, their options included arts & crafts, an old-fashioned tea party, cornhole and bowling in the back yard, and Cooking Class.

Elvis performed an amazing concert for us, and everyone was excited to be in photos and receive an autographed scarf.

## Program Closures

July 3 – Independence Day  
July 17 – Staff meeting

## Meet Our Participants

Jason enjoys drawing and painting, playing kickball, fishing, and jamming to his favorite classic rock. He likes to joke around with his friends, and his favorite treat is a slice of pizza and a Coke.

## Meet the Staff

Kaliah aka. Rosie is an Activity Aide, and her favorite part of her job is that every day is different. She enjoys getting to know each individual person that attends CTN to find out what makes them special. She is one year away from completing her degree in psychology. She is proud to be a good mother, and her kids make her very happy. In her down time, she likes to do diamond art crafts. Her favorite saying is "I didn't come this far just to come this far and not be happy." She hopes to one day take an international flight just for the experience.
