News

In April the weather turned nice, and we were able to do activities outside and enjoy the sunshine and warmth. A few of the activities were Frankenmuth shops, Parks, disc golf, and the Dorr Family Farm

Dorr Family Farm was wonderful! The family allowed us to sit in the driver's seat of some of the machines, stand next to the big ones to make us feel small and have fun at their farm. Afterwards, they treated us to pizza!

KCQ 98 gave a tour and showed us how the radio station works. We were able to make a recording on the microphones at the station.

Mrs. Silvermaile at Home Depot hosted a bird feeder building event for us. Some of these will be entered at the Saginaw Fair in July/August.

We also went to Meijer for a Nutritional Class and played Disc Golf.

May

We will be having a Prom on the 22nd.
More details to come!!
