

June

May

A huge thank you to Don Felipe's Mexican Restaurant! They provided great food, as well as music, dancing, terrific staff, and many other extras. Also, a big thank you to Don's Foodland in Birch Run for supplying the sloppy joe meat for Prom. Let's not forget our great CTS Staff that put the prom together. Prom was such a fun time; we hope all that attended had a blast! The Mirror Maze in Frankenmuth is another business that partnered with us to offer a free activity. We also had fun bowling! That was the last bowling session until fall, so we can be outside on the gorgeous, summer days.

June is going to be a fun month!

We have special outings planned. Please look at the calendar and the prices below. One big outing is a Great Lakes Loon's baseball game in Midland.

Remember, those that signed up to go will be coming home late that day. More info will be sent home soon. They will still need to bring a sack lunch. Also, we will have an all-program picnic with a live band. Program will provide lunch that day. Please dress appropriately as this will be held outside under the pavilion. We will have two nice tours for the month: Owosso Airport (WindAir Club) to see small airplanes up close and the St. Charles Area Museum to learn about the local area. There are a couple days of fishing which is often requested, remember to dress appropriately. Last, more info to come about Alpine Mountain Putt-Putt Golf soon.

CONTACT US

As always, if you have any questions, comments, or concerns please feel free to contact us. We would love to help!

Staff of the Month

Aaron has been with CTS since August as a MHAA. His favorite thing about working at CTS is everyone, staff, consumers, and consumers' families and it makes every day very good. My co-workers inspire me, I have learned a lot from them. Aaron is currently studying at U of M Flint for general studies with a concentration in psychology. His favorite quote is from his HS Cross Country Coach, "Don't sit at the adult table. All they talk about is taxes, politics, and gas prices."
