It is springtime, we held our annual Easter egg hunt and luncheon which was a great success. There were prizes in over 100 plastic eggs and everyone enjoyed ham, macaroni and cheese, veggies, and blueberry cheesecake fluff. In April, we exercised at Center Courts, Delta pool, and Chesaning Cardio Drumming. We started decorating our garden at the Saginaw Children's Zoo and plan to make it the best garden ever! Feeding carrots and apples to the horses at Serenity Equine Facility was one of our favorite activities. We had lunch at Burger King and Slurpees at 7-Eleven. We also got in touch with our creative side at a clay modeling class at SVSU. The Humane Society of Bay City is always very welcoming, and we enjoyed visiting with our furry friends as often as possible. Those who chose to stay at CTN had many activity options including a movie day, ASL classes, Euchre, basketball games, arts & crafts, and many personal improvement classes. Whether you want to stay inside or go on an outing, there is always something exciting to do at CTN!

Meet the Staff

Sharica's favorite thing about being an Activity Aid is helping our participants. She likes to see them smile and have a great day at program. She is currently a CNA, and her career goal is to become a Nurse/LPN. When she is not working, she loves to cook/bake and spend time with her dog, Bear. She admires her mom because she is a very hard worker. Sharica hopes to visit Turks and Caicos Islands or Hawaii and to go skydiving. The best part of her day is helping others.
