## Headlines

At CTS we had many days without our favorite people due to training and a snow day. However, the days we were together were cherished and fun. We had fun scheduled days that consumers and staff both enjoyed.

To start the month off, different groups from CTS went to mall walking, YMCA, and the Dollar Tree. But our activities did not end there! We had a lot of fun in the shorten month.

We went bowling and a good time was had by all! Colonial Lanes in Flushing hosted us, and our company PR guy attended and took some photos that is attached.

We were grateful for the New Lothrop Nazarene Church for sponsoring our Valentine's Day Party on Feb. 13<sup>th</sup>. They catered a wonderful hot lunch with cookies and coffee. We were able to have a dance and play games there as well. They are very generous to us!

Some of the other activities we participated in was swimming at Delta College, a trip to Burger King, Sam's Club, Five Below, Senior Center for lunch, YMCA, Flint Farmer's Market, and helping at Eastside Soup Kitchen.

Can't wait to tell you about all our next adventures!! See you next month...

## Meet the Staff

Candace has been with SCCMHA CTS as a Activity Aide for 1 year and 3 months! We are happy to have her here with us!! Candace said her favorite thing about working with us is being able to help and teach our consumers. Her goal here is to give 100% to our consumers and make sure they feel safe and accepted and overall feel good about themselves. Candace stated this is the best job EVER and grateful to share her day with every single consumer! Interesting facts about Candace: she is a certified herbalist, she collects books that date before 1908, and explore new places. Bucket list: travel to Europe, Ireland, and Bali
