Happy Fall

Fall brings change of weather and changes at CTS.

Please remember to come to CTS prepared for the weather changes. If it says rain later in the day, please come with a rain coat even if it is not raining when you leave home for CTS.

We have a new supervisor and a few changes in how we choose our outings. It is going great and everyone gets a chance to choose the outing they want. We are back to 4 options every day also.

Meet Denise

Denise is a CTS program aide; she has been with us for 6 Years. One of Denise's accomplishments in life is being a home provider for Sparck's AFC home for 4 awesome ladies. In her free time, she spends time with her two sons and grandkids.

Contact Us

AS always, if you have any questions, comments, or concerns, please feel free to contact us.

PLEASE NOTE..

Please make sure your participant always has at least one change of clothing at CTS. We have some clothing on hand for emergency use and request that it be promptly returned to CTS after being used. Also, clothing donations, especially men's items, are always appreciated.

As we get into the cooler fall season, it is very important that all participants come to program dressed appropriately. This includes long pants, warmer shirts, coats, and shoes. Please make sure all personal clothing items are labeled so we can make sure they return home with the correct participant.

Emergency closure information is broadcasted on WEYI 25 and WJRT TV12. The message on the screen should read, "Comm. Ties South will be closed." You may also call (989) 272-7000 for up-to-date closure information or visit our website at www.sccmha.org. Go to "News & Information" and then "Emergency Closure Information."

As we are concerned for the safety of everyone, especially during inclement weather and bad road conditions, please call (989) 272-7204 to let CTS know if your participant is not going to attend program for any reason.
